Accessibility

If you need help or cannot board a replacement bus or tram service, please contact PTV prior to travelling on 1800 800 007 or speak to our staff on the day for alternative transport to be arranged at no cost.

Health and safety

Keeping our workers and the community safe is our priority as we deliver major infrastructure works across Victoria.

Victoria's Big Build has implemented strict health and safety policies, including increased cleaning across the public transport network and replacement buses.

Everyone must wear a mask, unless an exemption applies and commuters are being asked to practise good hygiene. If you are unwell, stay at home.

Buses replace trains between North Melbourne and Upfield

As part of Victoria's Big Build, we're removing 75 dangerous and congested level crossings, with 35 already gone. On the Upfield Line, we've nearly finished removing four level crossings.

From Monday 26 October to Sunday 1 November, buses will replace trains on the whole line while we finish building the new rail bridge.

What we've been up to

Since Monday 27 July, we've been building a rail bridge and removing the boom gates at Bell Street, Munro Street and Reynard Street in Coburg, and Moreland Road in Brunswick. We've also been building new stations at Moreland and Coburg.

As part of the project, we're also upgrading the Upfield Bike Path, landscaping and creating new open spaces.
