Bikes and pets

Bicycles, dogs (with the exception of animals identified by an Assistance Animal Pass) and surfboards are not allowed on train replacement buses.

Ticketing

Where possible, you should touch on and off at the beginning and end of your journey. When catching train replacement buses, you can touch on and off at your connecting train station.

Accessibility

Most train replacement buses will be low-floor models to assist passengers.

If you need help or cannot board a replacement bus, please contact PTV prior to travelling on **1800 800 007** to arrange alternative transport at no cost. Staff will also be on-site during the day at certain locations.

Buses continue to replace trains on the Frankston and Stony Point lines

While we update construction timelines on the Edithvale, Chelsea and Bonbeach Level Crossing Removal Projects, buses continue to replace trains between Mordialloc, Frankston and Stony Point until further notice.

To find out how these disruptions affect you check online at ptv.vic.gov.au/frankston or call **1800 800 007**.

Edithvale, Chelsea and Bonbeach station closures

Edithvale, Chelsea and Bonbeach stations are closed.

Pedestrian access changes around Edithvale, Chelsea and Bonbeach

Pedestrian level crossing closures are in place to ensure the safety of the community and workers.

These closures include, Edithvale Road in Edithvale, Chelsea Road and Argyle Avenue in Chelsea, and Bondi Road in Bonbeach.

During the closure of the pedestrian crossings a free community shuttle bus is operating to connect locals to train services and local shops.

The shuttle bus will run as a loop service, with Mordialloc-bound stops located on Nepean Highway and Carrum-bound stops located on Station Street.

The shuttle bus will run until pedestrian access opens at the new road connections.

For more information on changes to pedestrian crossings, visit levelcrossings.vic.gov.au

Ticketing and station facilities

Ticketing and station facilities will be available at the new Edithvale, Chelsea and Bonbeach stations.

Until then, you should touch on and off at Mordialloc, Aspendale and Carrum stations. New myki card purchases or myki top ups can also be made at Mordialloc, Aspendale and Carrum stations.

To find your nearest retail outlet, go to ptv.vic.gov.au/myki

Road disruptions and level crossing closures

There will be road and traffic disruptions on Nepean Highway and Station Street in Edithvale, Chelsea and Bonbeach.

Traffic management and signage will be in place to help guide you safely around the area.

For more information, visit levelcrossings.vic.gov.au

Changes to local buses

Changes to local bus services will remain in place until **early 2022**. These include, bus routes 706 and 902 in Edithvale and bus routes 706, 858 and 902 in Chelsea.

Buses continue to replace trains on the Frankston and Stony Point lines

We're busy removing level crossings

As part of Victoria's Big Build's \$3 billion upgrade of the Frankston Line, we're removing 20 level crossings and building 13 new stations, to improve safety, reduce congestion and allow more trains to run more often.

This year, we're removing five dangerous and congested level crossings from Edithvale to Bonbeach by lowering sections of the Frankston Line into a trench. Three new stations will be built at Edithvale, Chelsea and Bonbeach as part of the project with improved connections between trains and local transport including buses, taxis and bike storage facilities. These changes will make it safer and easier for locals to access public transport, shops and the beach.

Planning your journey

We're here to help you travel during major construction and get you to and from your destination as quickly and easily as possible. We'll continue to keep you updated on works and advise you of the best way to travel.

Health and safety

Keeping our workers and the community safe is our priority as we deliver major infrastructure works across Victoria. Victoria's Big Build has implemented strict health and safety policies, including increased cleaning across the public transport network and replacement buses.

Everyone must wear a face mask, unless an exemption applies and passengers are being asked to practise good hygiene and physical distancing. If you are unwell, stay at home.

QR codes have been rolled out in more than 440 key public transport locations and on trains, trams and buses. Please check in every time you see QR codes at stations and stops and while you travel on the public transport network.
