## Health and safety

Keeping our workers and the community safe is our priority as we deliver major infrastructure works across Victoria.

Victoria's Big Build has implemented strict health and safety policies, including increased cleaning across the public transport network and replacement buses.

Everyone must wear a face mask, unless an exemption applies and passengers are being asked to register their myki for contact tracing, and to practise good hygiene and physical distancing. If you are unwell, stay at home.

QR codes have been rolled out in more than 440 key public transport locations and on trains, trams and buses. When you see a sign, please check in.

VICTORIA'S  
BIG BUILD

# Buses replace trains on the Mernda and Hurstbridge lines

## Major works in late November and December

# We're busy on the Mernda and Hurstbridge lines

As part of Victoria's Big Build, we're doing major works on the Mernda and Hurstbridge lines.

The second stage of the Hurstbridge Line Duplication will deliver more train services, less crowding on peak trains and better connections to public transport in Melbourne's north east.

We're also making some big changes on the Mernda Line as part of the Preston Level Crossing Removal project. We're removing four level crossings at Oakover Road, Bell Street, Murray Road and Cramer Street in Preston as well as building brand new stations at Bell and Preston.

For more information visit [bigbuild.vic.gov.au](http://bigbuild.vic.gov.au)
