

We're upgrading the Hurstbridge Line

We're working in the train corridor between Macleod and Greensborough stations to upgrade tracks and install new signalling and electrical equipment.

These network upgrades will enable the future extension of the train tunnel beneath Greensborough Highway ready for the completed M80 Ring Road to be built over the Hurstbridge Line.

Planning your journey

We're here to help you travel during major construction and get you to and from your destination as quickly and easily as possible. We'll continue to keep you updated on works and advise you of the best way to travel.

Catching your connecting train

Buses run to the same frequency as trains, however they may arrive earlier or later due to traffic on our roads.

We coordinate with VicRoads to continuously monitor traffic and prioritise replacement buses to help keep them moving.

For more information visit ptv.vic.gov.au or call 1800 800 007.

If you're deaf or have a hearing or speech impairment, contact us through the National Relay Service – for more information, visit relayservice.gov.au

If your language isn't listed visit ptv.vic.gov.au/languages or call 9321 5450.

Accessibility

Most train replacement buses will be low-floor models to assist passengers.

If you need help or cannot board a replacement bus, please contact PTV, prior to travelling, on 1800 800 007 or speak to our staff at the bus stop for alternative transport arrangements at no cost.

Bikes and pets

Bicycles, dogs (with the exception of animals identified by an Assistance Animal Pass) and surfboards are not allowed on train replacement buses.

Ticketing

Where possible, you should touch on and off at the beginning and end of your journey.

When catching train replacement buses, you can touch on and off at your connecting train station.
