

Travelling on a replacement bus

Accessibility

Most train replacement buses will be low-floor models to assist passengers.

If you need help or cannot board a replacement bus, please contact PTV, prior to travelling, on **1800 800 007** or speak to our staff at the bus stop for alternative transport arrangements at no cost.

Bikes and pets

Bicycles, dogs (with the exception of animals identified by an Assistance Animal Pass) and surfboards are not allowed on train replacement buses.

Ticketing

Where possible, you should touch on and off at the beginning and end of your journey.

When catching train replacement buses, you can touch on and off at your connecting train station.

Car park closures

While buses are replacing trains on the Sandringham Line there will be car park closures at North Brighton, Middle Brighton and Brighton Beach stations.

Plan your journey at ptv.vic.gov.au or call **1800 800 007**.

Catching your connecting train

Buses run to the same frequency as trains, however they may arrive earlier or later due to traffic on our roads.

We coordinate with Transport Victoria to continuously monitor traffic and prioritise replacement buses to help keep them moving.

Buses replace trains on the Sandringham Line

Friday 6 December to Monday 16 December

We're upgrading the Sandringham Line

We're completing overhead renewal works on the Sandringham Line that will make train services safer and more reliable for our passengers.

There will also be other maintenance and renewal works on various sections of the line during this time, including signal upgrades and track renewal works.

To safely carry out these works, activities can only be performed when trains are not running, with buses replacing trains on the Sandringham Line during this time.

We appreciate your patience while we upgrade the Sandringham Line.

Road Closures

Linacre Road, Hampton	7pm Sunday 8 December to 4am Friday 13 December
Glen Eira Road, Ripponlea	6am Thursday 12 December to 6am Monday 16 December
Union Street, Windsor	7pm Saturday 7 December to 7am Wednesday 11 December

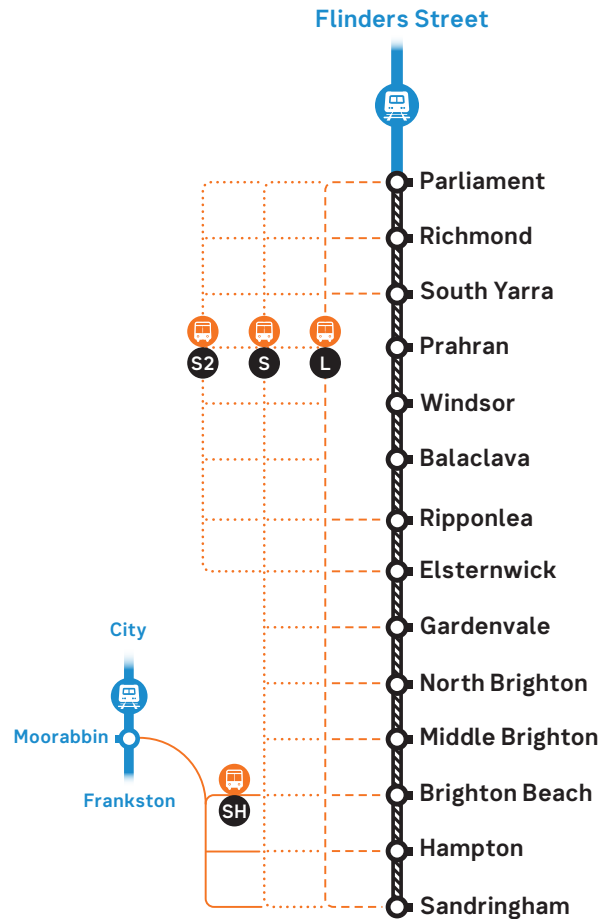

Traffic management will be in place when required, to assist people and vehicles moving through the area.
