Frankston Line temporary timetable and service changes

The Level Crossing Removal Project is removing the level crossings at McDonald Street in Mordialloc and Station Street in Aspendale, by building new rail bridges.

Frankston Line passengers will be kept moving during major construction by introducing single line running at Mordialloc Station.

Until mid-2026, Frankston Line trains will run to an altered timetable, with adjustments to overall service levels and stopping patterns.

Travelling on a replacement bus

Bikes and pets

Bicycles, dogs (with the exception of animals identified by an Assistance Animal Pass) and surfboards are not allowed on train replacement buses.

Ticketing

Where possible, you should touch on and off at the beginning and end of your journey. When catching train replacement buses, you can touch on and off at your connecting train station.

To avoid delays, top up your myki online at **transport.vic.gov.au**, instantly via the **PTV App** or set auto top up.

Plan ahead.

Transport Victoria

We're upgrading the Stony Point Line

We're completing critical works along the Stony Point Line, including the renewal of level crossings at Bungower Road in Somerville, Hodgins Road in Hastings and Frankston-Flinders Road in Tyabb. These upgrade works will make train services safer and more reliable for our passengers.

There will also be other maintenance and renewal works on various sections of the line during this time, including the rebuild of the shelter at Hastings Station.

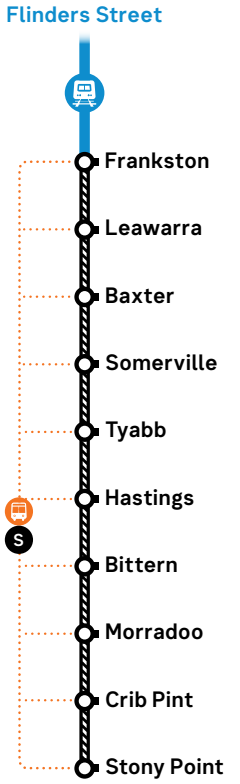

We appreciate your patience while we upgrade the Stony Point Line.
